List of Accomplishments To Achieve

Sports Team:** We need to have the following sports team representing New Jersey on the map meaning in sports competitions such as our own Football Team, Basketball Team, Baseball Team, Soccer Team and ECT... They must have NJ on their uniforms and in there whatever nicknames the people of New Jersey choose. There will be a contest to decide on the names for each sports team.

- 8. Social Security:** After you save \$5,000 bring receipts of positive spending, and then repeat over and over as long you keep

spending it wisely with things beneficial to your survival, you will be allowed to save another \$5,000 meaning that you're total will total \$10,000 to save, before we ask questions again, then repeat. As you keep spending it wisely and bring receipts of spending however amount you decide to spend, then we will not cut it off; but if screw this up then there will be consequences.

9. **LGBTQ+**: I am not going to ban it, FREE WILL. But just like you all keep saying that you have the right to be on TV, I have the right to switch the channel. But no drag queen story time in children's schools or libraries. No gender change surgery for anyone less than 18 years old.

A percentage will go to wherever the party at because we will have it in different venues across the state each year. In south, central and north New Jersey.
